AWARENESS PROGRAM ON IMPORTANCE OF CLEANLINESS

On 21-10-2021, the Women Empowerment Cell is organised an Awareness program on Importance of Cleanliness in our Dr. C. S. N. Degree & P.G college. Mrs. A. Shravani Garu explained to keep the environment clean, do not engage in littering on the streets or urinating in public rather use a public toilet for sanitation. Cleanliness will help you in taking good care of your own health while also keeping the environment clean. When the environment is clean, we lead a healthy and active lifestyle. Cleanliness is related to hygiene and disease prevention. Washing is one way of achieving physical cleanliness, usually with water and often some kind of soap or detergent. Cleaning procedures are also important in many forms of manufacturing.
