DR CHEEDAY SATYANARAYANA GARU - (SECRETARY & CORRESPONDENT)

Good evening,

Who came to today's programme, the hostel students, our institutions treasurer Vadupu gopi garu & Degree college principal Dr. Sakumalla Satyanarayana garu, and Inter college principal Md. Saleemkhan garu and pastor Calvary kumar garu and the commerce HOD prabhakar rao garu and invitees of the today's programme, it is very colourful and I am very happy to celebrate this year semi christmas with you all we are celebrating this festival since 25 years and we have very good memories and all of you a very happy christmas. Actually I want to say all of you know Jesus Christ, he was born to mother mary. In that time they are in trouble, they had no food, no shelter and nothing that's why they had to leave to another place with many people and that time they are not having a shelter, he was born in cattle shed, Jesus Christ was born and he was a son of God. They told everyone that good things were going to happen, we all of you know that things from then on his childhood and education considering all of these factors, he was a very very brilliant person, he was great and helpful person in all aspects and he learned carpentry and he has a wonderful architect, later, after he grew up he transformed himself as I seen. After the Roman people who lived there at that time, caesar was the member, they lived there and

their conditions were very strong, social equalities, they were very strong at that time, and the punishment were also very strong and the punishment was crucifixion. That sentence was for the crucifixion, and that time along with him, the siblings were seven of them, five of them were men, two of them were women i don't know if that's true or not, following that, after growing up, he transformed himself and how to live there at that time, so that people would love him, he said that loving yourself is not a great thing, loving others is great and that is the main preaching of god's message. Self less right? After that, we have to think about what we can do help others, and if someone does something wrong, we have to teach them to forgive always help to the society and serve them, and must faith in others is the message he gave. That's why he has become very important person for the public. This is the first time we have seen the Old Testament, after that if we look at the history of the old testament. We can see that even before the Old Testament was written, the bible was written. In the old testament , it is said that Moses and David number of people have contributed to the old testament. After that new testament was written like this. In the new testament, the Apostles Mathews, and Jhon are the three main people responsible for giving us the new testament. So he was a good person, he did good deeds, he came in the form of god. He gave us on the basis of Christianity. He also served us near European countries, they have started to migrate to various countries like India and throughout the world. So they have propagated Christianity and most of the people.

Thank you wishing you a very happy Christmas

SEMI CHRISTMAS CELEBRATIONS

Dr SAKUMALLA SATYANARAYANA - PRINCIPAL (Degree & PG College)

We have been celebrating Christmas since December 25th when Jesus Christ was born in Bethlehem. We have been celebrating since that day. But even we were writing the record, we enter the register after one week since December 25th to 31st, we entered the register on January 1st. Since we entered the register on January 1st we started the Christmas second form there. So we are celebrating the day when Jesus Christ was born to commemorate the Jesus Christ birth anniversary, we are celebrating the Christmas, so that's why we are celebrating semi-Christmas, semi-Christmas means before the Christmas, so all previous Christmas videos will be semi-Christmas videos. So that's, why we are celebrating the Christmas on December 12th. We are very happy to have such a good program in such a good atmosphere.

I started this Christmas in 2006. I am very happy to receive such Christmas invitations every year. So, that a good thing to continue the same legacy. To staff of the hostel, to the warden madam, to the hostel students Happy Christmas and merry Christmas. Thank you very much.
