## GENDER DISCRIMINATION

On 26-11-2018, a program on Gender Discrimination was organized in ZPHS, Mogallu. Mrs.Ch. K. L. Prasanna Garu has organized the program for the students. She explained gender discrimination, and how it effects the society and created awareness among the students. And she explains that every child deserves to reach her or his full potential, but gender inequalities in their lives and in the lives of those who care for them hinder this reality. Wherever they live in India girls and boys see gender inequality in their homes and communities every day – in textbooks, in movies, in the media and among the men and women who provide their care and support. As girls and boys age the gender barriers continue to expand and continue into adulthood where we see only a quarter of women in the formal workplace.
