## HEALTH AWARENESS PROGRAM

On 20-10-2020, Women Empowerment Cell conducted a program on Health awareness by Anganwadi member Mrs. Anantha Lakshmi Garu. The purpose of the program was to sensitize the students about the importance of healthy diet and hygienic measures to prevent infections and promote better health. This session included activities like informative talks, role play and discussions. A health awareness programme is not only informative but also provides great opportunity to learn many health related information. Health awareness focuses on how we can prevent the issues of lack of treatment or healthcare facilities. We focus on diverse health topics to provide awareness to the communities and increase their levels of Health Literacy. Our focus areas are Health & Hygiene, Hand Washing, Menstrual Hygiene, Oral Hygiene, and Nutrition.
