**Mr.N.Ravi Kumar** gave a seminar on “Risk management and compliance” on 17<sup>th</sup> February 2022 to the students of **Commerce and Management studies**. He gave his lecture in the context of risk management and compliance the process of identifying, assessing and controlling threats to an organisation capital and earnings. These risks stem from a variety of sources including financial uncertainties, legal liabilities, technology issues, strategic management errors, accidents and natural disasters approach for this is provided by separating financial risk into four broad categories: market risk, credit risk, liquidity risk, and operational risk. He discussed the topics in a detailed manner as much as he can made the students very keen to listen as the content is so new and interesting. Our sincere thanks to Ravi Kumar Garu for making his lecture more thoughtful with his deeper explanation of things.
